

**UPDATED 8 APRIL 2026 – IN BLUE**  
**NEW SAEF DIRECTIVE FOR INFLUENZA (FLU) VACCINATION**

The SAEF Executive have agreed to the following dispensation which will come into effect from the 1<sup>st</sup> of April 2026, and remain in effect unless rescinded by the SAEF, due to an outbreak of Equine Influenza in the country or other circumstances that may occur requiring more frequent vaccination.

All horses born after the 1st January 2020, or horses that have not previously received vaccination will be required to demonstrate the administration of the Primary Equine Influenza Course of V1, V2 and V3 as set out in the SAEF/FEI Veterinary Regulations as per the rules prior to 1st January 2024, or as per the rules from the 1st January 2024.

All vaccinations must be administered by a Registered Veterinarian and entered, signed and stamped by the administering Veterinarian in the horse's passport. **Following the Primary course, horses will be required to be vaccinated once a year. (every 365 days) You may not exceed 365 days in a normal year or 366 days in a leap year.**

However, if a calendar year is exceeded between annual vaccination, the Primary Course will have to be repeated. **No vaccination may be administered in the 7 days preceding any event that the horse may be entered into, or attend a measuring session.**

**All horses born prior to 1st January 2020, must demonstrate a minimum of 6 annual vaccinations, with an interval not exceeding 1 year between vaccinations, and administered by a registered veterinarian to avoid having to complete the Primary Course. If a year was exceeded between 2019 and 2020, a Primary vaccination is required.**

**IMPORTANT MESSAGE TO FEI RIDERS - FEI HORSES ARE NOT EXEMPTED**

**Please note: Horses registered with the FEI and competing in FEI events are not exempt from vaccination under this dispensation. All FEI registered horses MUST be vaccinated by a REGISTERED veterinarian with Equine Influenza vaccine within 6 months and 21 days of competition.**
